

The Economic History of Britain Since 1700, Volume 2: 1860-1939

An economic history of Britain since 1700, in three volumes by thirty-nine eminent historians and economists, this book will succeed the first edition of Floud and McCloskey (published in 1981) as the leading textbook on its subject. The text has a firm economic basis, but emphasizes the historical context and chronology and is written in straightforward and jargon-free English. Volume 1 covers the period 1700-1860, that of Britain's rise to relative economic supremacy. Volume 2 discusses the period 1860-1939, that of the height of British economic power and of painful readjustment after 1914. Volume 3 considers the period since 1939, that of relative economic decline and of increasing involvement with the European Community.

The Economic History of Britain Since 1700, Volume 2: 1860-1939 The Cambridge Economic History of Modern Britain Volume II: Economic a readable and comprehensive survey of the economic history of Britain since Volume I covers the period 1700-1860 when Britain led the world in the Volume II examines the period 1860-1939 when British economic power was at its height. **The Economic History of Britain since 1700 - Cambridge University** The Economic History of Britain since 1700: Volume 2, 1860-1939 by Roderick Floud and a great selection of similar Used, New and Collectible Books available : **The Economic History of Britain Since 1700, Volume 3** Volume 1 covers the period 1700-1860, that of Britain's rise to relative economic supremacy.
