

# Successful Self-Promotion: Getting the Job You Want in Information Work (The successful LIS professional)

This text offers those wishing to get their next job in information work a portfolio of useful tips and advice on improving their chances. Throughout, the emphasis is on developing self-promotional skills. Contents include: looking in the mirror - self analysis and self assessment; adding value - application letters and forms; the quest for the holy grail - the perfect CV; playing the interview game - practice makes perfect; summing it all up; and investing in yourself for the future. The book is part of the Successful LIS Professional Series which has been conceived to help individuals meet the new challenges in the library and information profession, by providing a growing portfolio of texts targeting their professional development.
