

## TONY DUFFLEBAG ...and Other Remembrances of the War in Korea: A Soldiers Story

Stories told in the book, Tony Dufflebag ... and other Remembrances of the War in Korea, are a mixture of memories, history, journalism and autobiographical experiences that are blended into a fascinating collection. The title story is of the rescue by two soldiers of a six-year-old Korean orphan boy who was found freezing and starving on the streets in war-ravaged Seoul, South Korea, then secreted into protective adoption for a few weeks, and how he was cared for and won the hearts of all the soldiers in a frontline Infantry rifle company until he was placed in safer circumstances. The author shares feelings about the death of a fellow soldier, of thoughts about a young wife and son back home, of the dramatic mountain rescue of a critically-wounded friend, reflects on feelings of a Christian soldier in combat, tells about lifelong friendships that develop in wartime, reflects on personal values, beliefs, feelings, commitments, opinions and relates tales of humorous events that occur to and among soldiers, even in a far-off war zone.
