

The New Divine Feminine: Spiritual Evolution for a Womans Soul

In this wise and deeply nuanced book, beloved spiritual guide Meghan Don masterfully walks us through the light and the darkness of the Holy into the arms of the Divine Feminine ... where we are emboldened to step up as a force of healing and hope in the world. Mirabai Starr, author of *God of Love: A Guide to the Heart of Judaism, Christianity & Islam* Achieve Spiritual Evolution through True Empowerment of Your Feminine Soul Experience an evolutionary journey with this guide to embracing the light and dark of the archetypal stages of womanhood. Bringing forward Gnostic and mystical teachings, Meghan Don shows you how to work with the seven faces of the Divine Feminine: the light and dark aspects of the Daughter, Mother, and Crone, as well as the enlightened being of ones true nature. Using reflections, prayers, meditations, and ancient chants, *The New Divine Feminine* helps you heal your spirit, find liberation, and trust your inner soul voice and vision. No matter your spiritual beliefs, you can access each divine face and gain empowerment from this guides exploration of powerful, sacred women, including Mary Magdalene, Lilith, the Black Madonna, and Teresa of Avila. This may well be the best book written on the Divine Feminine. It is not only a book about spiritual evolution, it is immediate, inwardly felt. These alive words awaken truths already present but covered over for centuries ... This is a book of waking up, of becoming our nature. A book everyone should read! Robert Sardello, PhD, author of *Silence: The Mystery of Wholeness*
