

The Ultimate Guide to Start your Career as a Freelance Writer: Learn how to get the most out of your job as a freelance writer in today's competitive market.

The Ultimate Guide to Start your Career as a Freelance Writer: Learn how to get the most out of your job as a freelance writer in today's competitive market.

Do you want to leave the 9-5 cycle and live your life as a Freelancer? If so you are at the right place! Both authors are freelancers for more than 5 years and have grown their business in order to take advantage of all the opportunities that a freelancing career brings. In this book you will learn not only them, but also all the pitfalls you need to avoid in order to have success. In This Book You Will Learn How to: * Set up your home office - in order your work to be efficient you need a productive environment * Get the right software - having the right tools will ease your work process a lot * Determine your strengths and weaknesses - knowing them is a great power, so take a look at the tables from the beginning of the book and write them down now, if you haven't done so already! * Set up your online presence - set up your freelancing profile, your website and your LinkedIn account, so you can attract new customers * Set up your portfolio - your portfolio will be crucial to seal the deal with potential clients so make it top notch * Build multiple streams of income - never put all your eggs in one basket, always try to find new ways to increase your income and reduce your work hours * Collaborate with others - and be part of the writing community in order to offer better and more complex services * Take care of taxes - the freelancers greatest fear * 2 BONUS Ebooks - 69 Ways to Make Money from Home + Bitcoins Beginners Guide Why This Book? Warning! This book is not a get rich quick scheme. It is an opportunity to begin a new career, where you don't have a boss, but you work on your own terms. However this comes with a great responsibility to take care of all the aspects of the business. This might seem scary to you initially, but once you are done with this book, you will be confident to start your career as a freelance writer.
