

## The Prince of Frogtown

The final volume of Rick Bragg's bestselling and beloved American saga documents a mesmerizing journey back in time to the lush Alabama landscape of Ricks' youth, to Jacksonvilles one-hundred-year-old mill and to Ricks' father, the troubled, charismatic hustler coming of age in its shadow. Inspired by Rick Bragg's love for his stepson, *The Prince of Frogtown* also chronicles his own journey into fatherhood, as he learns to avoid the pitfalls of his forebearers. With candor, insight, and tremendous humor, Bragg seamlessly weaves these luminous narrative threads together and delivers an unforgettable rumination about fathers and sons.
