

The Simple Guide to Freshwater Aquariums (Second Edition)

The key to becoming a dedicated aquarium hobbyist is to succeed with your first aquarium. The Simple Guide to Freshwater Aquariums concentrates on providing you with a complete plan and all the information you need to choose and use the right-for-you aquarium equipment and the right-for-you fish and plants: it wants you to succeed. The information is presented in a completely straightforward text that's easy to read, easy to understand - and very definitely easy to put to good use.
