For more than twenty-five years, The Student Bible Atlas has been a trusted companion for Bible students of all ages and interests. Clear, concise, colorful, and priced for any budget, there are nearly 100,000 copies in print! All of the best features of The Student Bible Atlas are retained in this beautiful new edition. The table of contents remains the same, as does the tone and content. The layout, however, is beautifully redone, with new maps that convey essential information in a crisp, up-to-date way. Its a great atlas, now made even better! The Student Bible Atlas contains thirty maps covering both Old and New Testaments, a helpful index of place names, and a guide to the major archeology sites of the Middle East. The Bible is full of places and journeys: Abrahams epic journey from Ur to the land of Canaan; the Hebrews journey from slavery in Egypt to the Promised Land; Pauls pioneering series of missionary travels. All these and many more are covered in this invaluable and readily accessible Bible companion.
