

The Wedding Pearls

Tessa Wilson's life is all over the map. She may be clumsy, but this time she's stumbled into a pickle by choice, not by accident. She's agreed to take a month-long trip around Texas jammed into a 59 Cadillac with a drama-loving teenager, two elderly spitfires, and oh, yep, her biological mama who gave her away at birth. And the ride gets even crazier when hot-as-sin cowboy Branch Thomas crosses into her lane. They don't call him the sexiest man in the Lone Star State for nothin'. As the miles pass and sparks fly between Tessa and Branch, her grandmother starts dropping hints about family wedding traditions. And as Tessa discovers the power of her budding friendships and the unbreakable strength of her newfound family of strong Texas women, she wonders if she's also on the road to the biggest adventure of all: true love.
