

## TIMESWEPT BABY

From #1 Kindle Bestselling Time Travel Romance author Eugenia Riley, author of *BUSHWHACKED BRIDE* and *WANTED ACROSS TIME!* When single mom Emma Fairchild awakens in a Chicago hospital, she is stunned to discover her newborn baby is missing. Then she is presented with the outlandish possibility that the stork panicked in the delivery room and delivered Emmas bundle of joy to the wrong century! Receiving a bizarre ticket through time, Emma tears it up and immediately starts spinning back in time herself! Meanwhile back in Victorian London, notorious rogue Matthew Weymouth, Earl of Worthing, is trying his best to seduce his reluctant mistress when the two encounter an abandoned baby on the stoop of Matthews townhouse. Even as Matthews outraged paramour slaps his face and storms off, a gust of wind sweeps over him. Suddenly he is confronted by a beautiful young woman in outlandish clothing who accuses him of stealing her baby. Even as mother and baby are joyously reunited, sparks fly and romantic complications abound between Emma and Matthew. Emma must come to terms with her amazing journey through time and discover why she and her infant were delivered to sexy Matthew Weymouths stoop. Matthew feels enchanted by mother and child, and is tempted to give up his rakehell ways. Will Emma find her soulmate here in Dickensonian Londonas well as a father for a precious baby who so desperately needs one? **TIMESWEPT BABY** is Eugenia Riley at her best: touching romance, humor, time-travel, and a cast of unforgettable characters!
