

## Torts, Cases and Materials (University Casebook Series)

This title is a part of our CasebookPlus offering as ISBN 9781634608947. Learn more at [CasebookPlus.com](http://CasebookPlus.com). Through its excellence in scholarship, clarity, and ease of use, this casebook engages readers in a critical thinking about tort law. It sets forth crisply edited classic tort cases as well as cases reflecting the newest tort law trends. Its authors are a strong combination of respected scholars and those who practice in the subject. The casebook goes beyond judicial decisions and includes key tort-centered legislation and comparative perspectives where relevant. The casebook encourages the reader to understand the laws foundations and debate modern trends within various policy prescriptions. Unbiased in its approach and organized in manageable sections of information, the casebook is a superb tool for productive and stimulating classroom debate. Tort law doctrine and its rationale will come alive for students. The casebook, proven over 13 editions, assures that our students will be effectively guided to embrace the law of torts as a building block for the remainder of law school and a life in the law beyond. This new edition insures that it will maintain its place as the most widely adopted Torts casebook.
