

## Northern Escape (Mills & Boon Blaze) (Alaskan Heat, Book 3)

Come home to Alaska. A beautiful, harsh wilderness where the men are bold and the women have secrets! Nobody in town is wondering how world-class chef Augustina Gus Tippens ended up running the local eatery. No, but everybody's dying to know the identity of the mysterious, sexy stranger who's eyeing her like she's scrumptious creme brulee... Travel journalist Nick Hudson loves coming across the unusual and the town of Good Riddance definitely fits the bill. But his biggest surprise is Gus! When they finally lure each other into bed, the sex is better than chocolate. Much better!
