

Holiday Treasure: The Lost Andersons - Book Three (Billionaire Bachelors 10)

Disclaimer: This book was previously released last year as a novella in the Hot, Sexy, and Bad Anthology. There has been 40,000 words of additional material added to this new release. Mega wealthy Tanner Storm has it all great looks, wealth, and nothing holding him down. Then, his father decides to play games with him and his siblings, handing him an apartment complex in downtown Seattle that Tanner wants nothing to do with. When the conditions of his fathers terms ensure that he do something with this building or lose his inheritance, he at first thinks, so what. But, then it becomes a challenge that he has to accept, because hes never before backed down. He decides to tear down the building and start fresh with something far more appealing that will add to his already fat wallet. The only problem is that the residents dont want to leave, and under the contract with his father, he cant force them out. When he ends up before Judge Kragle from all the complaints made against him, the judge decides the best punishment for him will be two weeks of living in the very apartment complex he despises and two weeks of community service, playing Santa Claus at the mall. Perfect! This is not the Christmas of his dream. The plot thickens when he meets his neighbor, Kyla and falls into instant lust. Will this turn out to be Tanners secret angel, or will he forget all about her the minute he leaves? Enjoy this Anderson Christmas Novel from NYT Best Selling Author Melody Anne who wishes you all a very Merry Christmas and an even happier New Year.
