

Viagris Sexy Stories For Adults

Each of the short stories in this collection presents a different view of the thrills of overcoming sexual inhibitions, and learning to recognize ones own deepest natural desires. The protagonist in each story finds a guide to lead him or her through the labyrinth of secret, forbidden pleasures and longings. In I Married a Porn Star, James discovers that his dream girl, Elena, takes sexual thrill-seeking to much higher levels than he could ever imagine, and he has to really extend his boundaries to keep up. In Salt and Pepper, white Bill and black Flame are surprised to discover unexpected passions in each other as they fall accidentally into a game of daring each other to commit to a sudden unplanned marriage. Humorous, compassionate and sexy. In The P*ssy Wall, middle-age and deeply religious Mildred confronts the clash between her long held beliefs and the unexpected requirement that she must personally encourage her teen son to explore and pursue his natural desires for the female sex. In Viagri Plays Strip Poker, Viagri confronts three male card sharps and is about to shed more than her clothes. In Consensual, the Sexual Paradise, all sex is deemed consensual, and to retain ones residence, each individual must flaunt their sexuality and participate in sexual acts far beyond their former boundaries. In Viagri Teaches Sex-Ed, Viagri tricks the smart-alecky Ronnie into participating in a level of bondage and sexual submission that he will not soon forget. In The Glass Box, the beautiful Michelle desires to become a porn star, but todays rules are rapidly changing. Although Michelle is always free to leave, she finds herself challenged beyond anything she had ever anticipated. In The Cougar, Corina devises a way to maintain her own private harem of men who must cater to her every sexual desire. In Viagris Sermon to the Unreligious and Viagri Advocates P*ssy Power, Viagri explains how to overcome sexual

inhibitions, and how to reclaim the power of the sexual goddess that resides trapped inside every woman (and the male equivalent in men).
