

Forbidden Falls (A Virgin River Novel Book 9)

Welcome back to Virgin River with the books that started it all. Reverend Noah Kincaid moved to Virgin River to reopen an abandoned church he bought on eBay. Like Noah, the place is a little empty inside, but all it may need is some loving care. The young widower arrives ready to roll up his sleeves and build a place of worship and welcome, but he needs some help. And the Lord works in mysterious ways. With her tight shirts and short skirts, pastor's assistant is not a phrase that springs to mind when Noah meets brassy, beautiful Alicia Baldwin. The former exotic dancer needs a respectable job so she can regain custody of her children. And Noah can't help but admire her spunk and motherly determination. Noah and Alicia are an unlikely team to revitalize a church, much less build a future. The couple has so many differences, but in Virgin River anything is possible, and happiness is never out of the question. Look for What We Find by Robyn Carr, a powerful story of healing, new beginnings and one woman's journey to finding the happiness she's long been missing. Order your copy today!
