

## Wanderlust in Gay Asia: Exotic Encounters and Erotic Escapades

Celebrated gay blogger Hans Fritschi has traveled extensively around Asia and his site is one of the leading online gay guides. In this ground-breaking book, he shares with readers his experiences of gay life in Asia. Through the eyes of his flamboyant heroine Suzy Size who is based in Thailand, Hans describes the exotic encounters and erotic escapades of a modern gay traveler in Asia. Suzy Size chases after money boys and is herself chased by sex hungry young men who go after older Western men. Or is it just their money? Suzy has many strange, absurd and hilarious encounters all over Asia. While not a gay guide, Wanderlust makes a good and entertaining read, covering everything from pubs and nightlife to getting picked up.
