

Warrior Soul: The Memoir of a Navy Seal

Since the first navy frogmen crawled onto the beaches of Normandy, no SEAL has ever surrendered, writes Chuck Pfarrer. No SEAL has ever been captured, and not one teammate or body has ever been left in the field. This legacy of valor is unmatched in modern warfare. *Warrior Soul* is a book about the warrior spirit, and it takes the reader all over the world. Former Navy SEAL Chuck Pfarrer recounts some of his most dangerous assignments: On a clandestine reconnaissance mission on the Mosquito Coast, his recon team plays a deadly game of cat and mouse with a Nicaraguan patrol boat. Cut off on the streets of Beirut, the authors SEAL detachment must battle snipers on the Green Line. In the mid-Atlantic, Pfarrers unit attempts to retrieve or destroy the booster section of a Trident ballistic missile before it can be recovered by a Russian spy trawler. On a runway in Sicily, his assault element surrounds an Egyptian airliner carrying the Achille Lauro hijackers. These are only a few of the riveting stories of combat patrol, reconnaissance missions, counter-terrorist operations, tragedies, and victories in *Warrior Soul* that illustrate the SEAL maxim The person who will not be defeated cannot be defeated.
